

Customer Appreciation Day

Compliments of

Mary Kay Cosmetics

Dear Business Manager,

Part of running a successful business is showing appreciation for your customers. As a Beauty Consultant with Mary Kay Cosmetics, allow me to offer my Complimentary “Customer Appreciation Day” Services. By choosing a day/time for your event, I will offer your customers a small gift of a single rose, thank them for coming into your store and offer them a chance to enter and win either a beautiful gift basket or gift certificate. Your Customer will recognize that you realize how important they are to your business and showing appreciation can help build customer loyalty. I have done many of these events before and have had great success! I know your Customers will love it! Give me a call and 5 minutes of your time and we can set this up for your business.
