Wondering how you can start a business when you are already alert?

Here is how you can start your own business and how you can pay off ALL of your Mary Kay debt!!

Sell \$200 per week = \$800 income per month

- **Take \$100 per week to pay off loan for MK business** (leaves \$700)
- **Use \$400 to replace product sold** (leaves \$300)
- **Give \$100 to yourself (have fun!)** (leaves \$200)
- **\$200 to pay off other debt**

Sell \$300 per week = \$1200 income per month

- **Take \$100 to pay off loan for MK business** (leaves \$1100)

- **\$900 to pay off other debt**

Rapid Debt Reduction Plan:

- Write down ALL debt, numbering them 1-10 (from smallest to largest)
- Start paying off the smallest one first, making payments as large as you can.
- Make minimum payments on #2-#10
- When debt #1 has been paid off, start paying big payments on #2 and continue minimum payments on #3-#10... and so on.

As in all things in LIFE... Consistency is KEY!!
