

It's that time of year when we want to do something to help make the holidays special for people in our community.

Our Mary Kay unit is adopting the residents of our local nursing homes and we want to present each of them with a special gift basket for Christmas. This may be the only gift some of them will receive this holiday.

We are asking our friends, clients, and businesses in the community to help us with this project by adopting a grandparent for Christmas. Your \$20 will sponsor a special gift basket for one resident and enable them to have a brighter Christmas. The gift basket will be great for males and females. We will attach the enclosed card to the gift baskets so that the recipients will know that the whole community pulled together for this great cause. You can fill it in, attach your business card, have one of us fill it in, or you may even choose to stay anonymous, it is entirely up to you.

If you would like to support this venture, please fill out the enclosed order form and mail it with your donation to the address listed below. You can also request participation with your Visa, MasterCard, or Discover over the phone or via email. We plan to deliver these to the homes around December 19, during their Christmas parties, so please act quickly.

**Thank you so much for making the holidays special
for the residents of our local nursing homes!**

Sincerely,
