

Dear Sir or Madam,

Valentine's Day is that time of year when we show those around us how much we love them. This year, let's love on the people who have shown love for each of us and our country through their service!

Our Mary Kay Unit is adopting the residents of the Floyd E "Tut Fann" Home for Veterans in Huntsville. We want to present each of them with a special Valentine's Day gift.

We are asking friends, clients and businesses in the community to join us with this project by adopting a resident for Valentine's Day. Your \$15 will sponsor a special gift for one resident and will enable them to remember they are loved and thought of!

If you would like to support this venture, please fill out the enclosed form with your donation amount. You can also request your participation with your Visa, American Express, MasterCard or Discover card over the phone or via email. We plan to deliver these to Tut Fann on Wednesday, February 14th.

Thank you in advance for making Valentine's Day special for the residents of Tut Fann!

Sincerely,

Elizabeth Elder
